HONORING ROLAND-WARNER
MIDDLE SCHOOL**HON. CANDICE S. MILLER**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mrs. MILLER of Michigan. Madam Speaker, I rise today to officially recognize the new Roland-Warner Middle School in Lapeer, Michigan, which is named in honor of Doris F. Rolland and the late Ronald C. Warner. The community is preparing to mark this special occasion with a dedication ceremony on August

27th at the site of the new facility.

The process to name the school took nearly two months, and it was anything but simple and easy considering there was an exceptional list of 19 possible candidates to pick from. Any one of these individuals would have been an excellent choice to receive this honor. But in the end, the members of the Lapeer Community Schools, LCS, Board of Education voted unanimously to name the facility the Rolland-Warner Middle School.

Mrs. Doris Rolland truly is an extraordinary person, and I commend her for her dedication and tireless work to educate the youth of Lapeer County. Mrs. Rolland still resides in beautiful Mayfield Township with her husband. Her resume speaks volumes about her commitment and devotion to help children succeed in academics and life, and especially those with special needs. Mrs. Rolland was both a teacher and principal at Woodside School at Oakdale, which coincidentally is the site of the new facility. In addition, she supervised a staff of 300 people who worked in the residential unit, the research unit and the unit that housed students with emotional impairment. Mrs. Rolland also served for 10 years as director of special education that served 750 students and 200 staff. She demonstrated unwavering passion for her work, and never questioned her mission. I thank her for her devoted spirit and willingness to assist the future of Lapeer, and I also want to offer my sincere congratulations on this very appropriate honor.

Mr. Ronald Warner held many positions during his 41 plus years career in the education field that concluded in 1984 when he retired as the Assistant Superintendent for the Lapeer Community Schools. However, Mr. Warner sadly passed away in June of 2008 at a tremendous loss to the community. My heartfelt condolences go out to his family and friends. And his family should rest assured that his spirit and legacy continue to live on. Mr. Warner began his career in Almont and held various teaching and administrative positions within the district. Mr. Rolland consistently demonstrated to his students and colleagues an outstanding capacity for leadership and the ability to make a positive difference. He helped countless young people learn and grow by challenging them to expand their minds. His contributions are greatly appreciated, and I could not think of a better way to show this gratitude other than by placing his name on the new school. His family should be extremely proud of this achievement, and I applaud Mr. Rolland posthumously on this wonderful acknowledgement.

August 27th will be a great day for the Lapeer Community Schools District and for the City of Lapeer as they pay tribute to Mrs. Doris Rolland and Mr. Ronald Warner, and I am pleased to have had the opportunity to do the same. I want to thank all parties involved for their hard work during the nomination process. The community can stand proud of these two individuals as they have their names remembered forever on the new facility. They are rightfully deserving of this prestigious distinction because they have laid a strong foundation on which to build and expand upon.

In closing, I offer my encouragement and best wishes to all the teachers, students and parents who are a part of the Rolland-Warner Middle School family. The future is bright and your potential is limitless. Go Wolves!
